Dear Mr. Zobell:

Re: Beaver Creek Dist. Sys.
Account 64-5

The issue of your assessment on the Beaver Creek
Distribution System was discussed at the annual meeting.

Your assessment is based on a right to use water on
Big Ditch, which is on the Middle Fork of Beaver Creek.

The water was used for a ranger station and a horse pasture.
I understand the station is known as the Hole-In-The-Rock Guard
Station and is located approximately in Section 31, T3N, R16E,
SLBM.

I hope this information will answer your questions. If
you have further questions, please contact me at 538-7380 or
Bob Leake, Area Engineer at 965-9835.

Sincerely,

Lee H. Sim, P.E.
Directing Engineer for
ADJUDICATION/DISTRIBUTION
